Welcome to Elite Online, how you doin'? I'm doing fantastic, happy to be featured again.

Wonderful to have you featuring, what was it like to work with us again? It's always a pleasure working with you, I thoroughly enjoy spending time with the team!

Where are you from? Tell us a little about yourself: I'm from sunny Florida, USA! Born and raised, I'm currently a student. I enjoy anime and festivals in my free time.

**SPEAKING OF AWESOME WORK, ARE YOU
INSPIRED BY ANYONE IN PARTICULAR OUT
THERE RIGHT NOW PUTTING CONTENT INTO
OUR BRAINS? I'VE BEEN INSPIRED BY DOLLY

WELL AS BREATHTAKING MODEL.**

Do you also watch what you eat, or is every day a cheat day? Currently trying to cut back from fast food, and cook more!

What's the dirtiest meal you regularly stuff your face with? I have a soft spot for authentic ramen.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Moscow mules are my weakness, I love ginger beer.

Winter has just ended here in the UK. What do you look forward to the most when the holiday season arrives? Spending time with friends and family, that's what's really important.

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I don't mind shooting in the cold, but my favorite places are tropical scenes. I love bright lighting.

What have you been...

...listening to recently? Slander has become my favorite artist!

...watching recently? The Witcher on Netflix is my main squeeze.

...wearing recently? HM is my favorite place to shop, I love their style.

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Never give up on your dreams. A few years ago, I was struggling to love myself and it effected my daily life. Now, I'm currently studying for an amazing future and practice self care every day. If I can do it, so can you.

Welcome to Elite Online, how you doin'? Yeah not too bad, thanks!

Wonderful to have you featuring, what was it like to shoot with us? I always have the best time with you guys, everything is so relaxed and it's such a giggle!

Where are you from?
I'm from sunny Scotland :D

Do you also watch what you eat, or is every day a cheat day? What's the dirtiest meal you regularly stuff your face with? I'm a serial gym dodger even though I still pay for my membership. I literally live on Koka noodles and Irn Bru Energy... The absolute worst diet.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? It's gotta be the Strawberry and Lime Kopparberg

You were involved in our Spain shootfest this January. What are your best memories from the trip? Definitely the family nights where we played daft games, drank loads of shots and just laughed for hours!

If you could choose your fave boobs, bum, face and personality from the trip, who would you choose? This is a hard one because there's too many perfect babes! But if you're forcing me to choose... Rebecca Crows boobs, Aemelia / Nikita's beautiful faces, Vaughn's peachy little butt and Tink's crazy personality!

WINTER HAS FINALLY ENDED HERE IN THE UK. WHAT DO YOU LOOK FORWARD TO THE MOST WHEN THE COLD WEATHER PASSES? PROBABLY NOT HAVING TO WRAP UP IN 40 LAYERS OF CLOTHING JUST TO STEP OUTSIDE. SCOTLAND IS FREEZING COLD!

UNFORTUNATELY WINTER ALSO MEANS LESS OUTDOOR SHOTS. WHERE IS YOUR FAVOURITE PLACE TO SHOOT? AND WHAT'S A MUST ON SET FOR YOU? I JUST LOVE BEING ANYWHERE THAT'S WARM, SECLUDED AND HAS A POOL... AND SOME DECENT MUSIC WHILE SHOOTING DEFINITELY PUTS ME AT EASE. ATOMS LOVELY SINGING VOICE USUALLY WORKS A TREAT.

What have you been...

...listening to recently? Post Malone, The Weeknd, Pale Waves, Fatherson.

...watching recently? Burnistoun, Always Sunny, Peep Show..

...wearing recently? The Downbeat T-Shirts and hoodies.

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Thanks for having me as always. x

BRIZELL

Welcome to Elite Online, how you doin'? S'uuuuup! I'm doing great at the moment! How're you?

Wonderful to have you featuring, what was it like to shoot with us? Awful. Just kidding! It's always such a great laugh getting to shoot with you guys, always tons of fun.

Where are you from? I currently live in Leeds but originally from the North West near Manchester.

Tell us a little about yourself: Hi I'm Brizellll! I'm 25 and just a little bit of a nerd... maybe a lot. I love anime, the Japanese culture, gaming, drawing to name a few. I'm currently undergoing a tattoo apprenticeship too, so watch this space!

What's the dirtiest meal you regularly stuff your face with? It's becoming a bit of a problem but once a week I have to get a Five Guys delivered. I get a hot dog with onions, mushrooms and ketchup, a burger with mushrooms, tomatoes and ketchup and a medium fries. Yes, I do eat it all! It's just so good though, and I'm not usually that into burgers.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Although I'm not a big drinker I do LOVE Midori as it doesn't taste like alcohol – did you know 'midori' means green in Japanese?

You were involved in our Spain shootfest this January. What are your best memories from the trip? There are so many! It was such great fun, but it has to be either going out for the meal in Benidorm (which was delicious) with everyone, watching the sunset over the sea every night or playing Funemployed – that was just hilarious!

If you could choose your fave boobs, bum, face and personality from the trip, who would you choose? Oooohh this is a tough one, everyone was just smoking hot. But if I had to choose I'd say Aemelia Fox's bum, Tink's face, Jaz's boobs and can I say everyone's personalities?! I felt so welcome and at home with everybody and it was so inspiring to see everyone work!

Winter is gradually drawing to a close here in the UK. What do you look forward to the most when the cold weather passes? Being able to wear short shorts so I can show off my tattoos! And going on adventures and exploring outdoor spaces like forests or what have you.

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? Always at shootfests – the locations are always absolutely stunning and for the ones abroad it's just an absolute dream getting to sit and shoot under the sun. It just inspires you being there.

DO YOU ALSO WATCH WHAT YOU EAT, OR IS EVERY DAY A CHEAT DAY? DO I HECK!
I GO THROUGH PHASES OF BEING HUNGRY NON-STOP OR HAVING NO APPETITE AT
ALL SO I'M LUCKY THAT MY BODY KEEPS ME IN SHAPE - FOR THE MOST PART.

And what's a must on set for you? Derp shots – when the photographer is getting the settings right I like to pull the silliest faces. You know, to get me in the zone?

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? There are a couple people that are keeping me inspired, Rebecca Crow is always so inspiring with her work fighting for sex worker rights and Asxna has me super inspired with her recent shoot with Dark Moon Media!

What have you been...

...listening to recently? Emo music as always! Been playing a lot of Simple Plan and All-American Rejects recently.

...watching recently? The Chilling Adventures of Sabrina, The Simpsons and Modern Family... Just a mix or random stuff really!

...wearing recently? I've been wearing a lot of Soft Kitty Clothing recently! I love anything that expresses my geeky tendencies, and their clothes definitely embody that.

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Be kind and the best person you can be every day! This is the best advice I've ever lived by. Also... Check me out on insta @brizelll ;)

Welcome to Elite Online, how you doin'? Hey! I'm doing good thanks!

Wonderful to have you featuring, what was it like to shoot with us? Thank you for having me, I had a fab time, listened to some good music and had a great laugh.

Where are you from? Tell us a little about yourself: I'm from Newcastle Upon Tyne, UK. I'm a petite fitness coach, also working in marketing. I have a dog, I love punk rock music, good coffee and travelling, I can usually be found in the airport on my next adventure!

BEING A PT, DO YOU ALSO WATCH WHAT YOU EAT, OR DO YOU ENJOY A CHEAT DAY? I BELIEVE HEALTHY LIVING IS A LIFESTYLE, NEVER A DIET, MODERATION IS KEY. I EAT HEALTHY, I WENT MEAT FREE A WHILE AGO, I'M AN ABSOLUTE SUCKER FOR A GRILLED CHEESE WITH JALAPENO AND ANIMAL STYLE FRIES FROM IN N OUT!

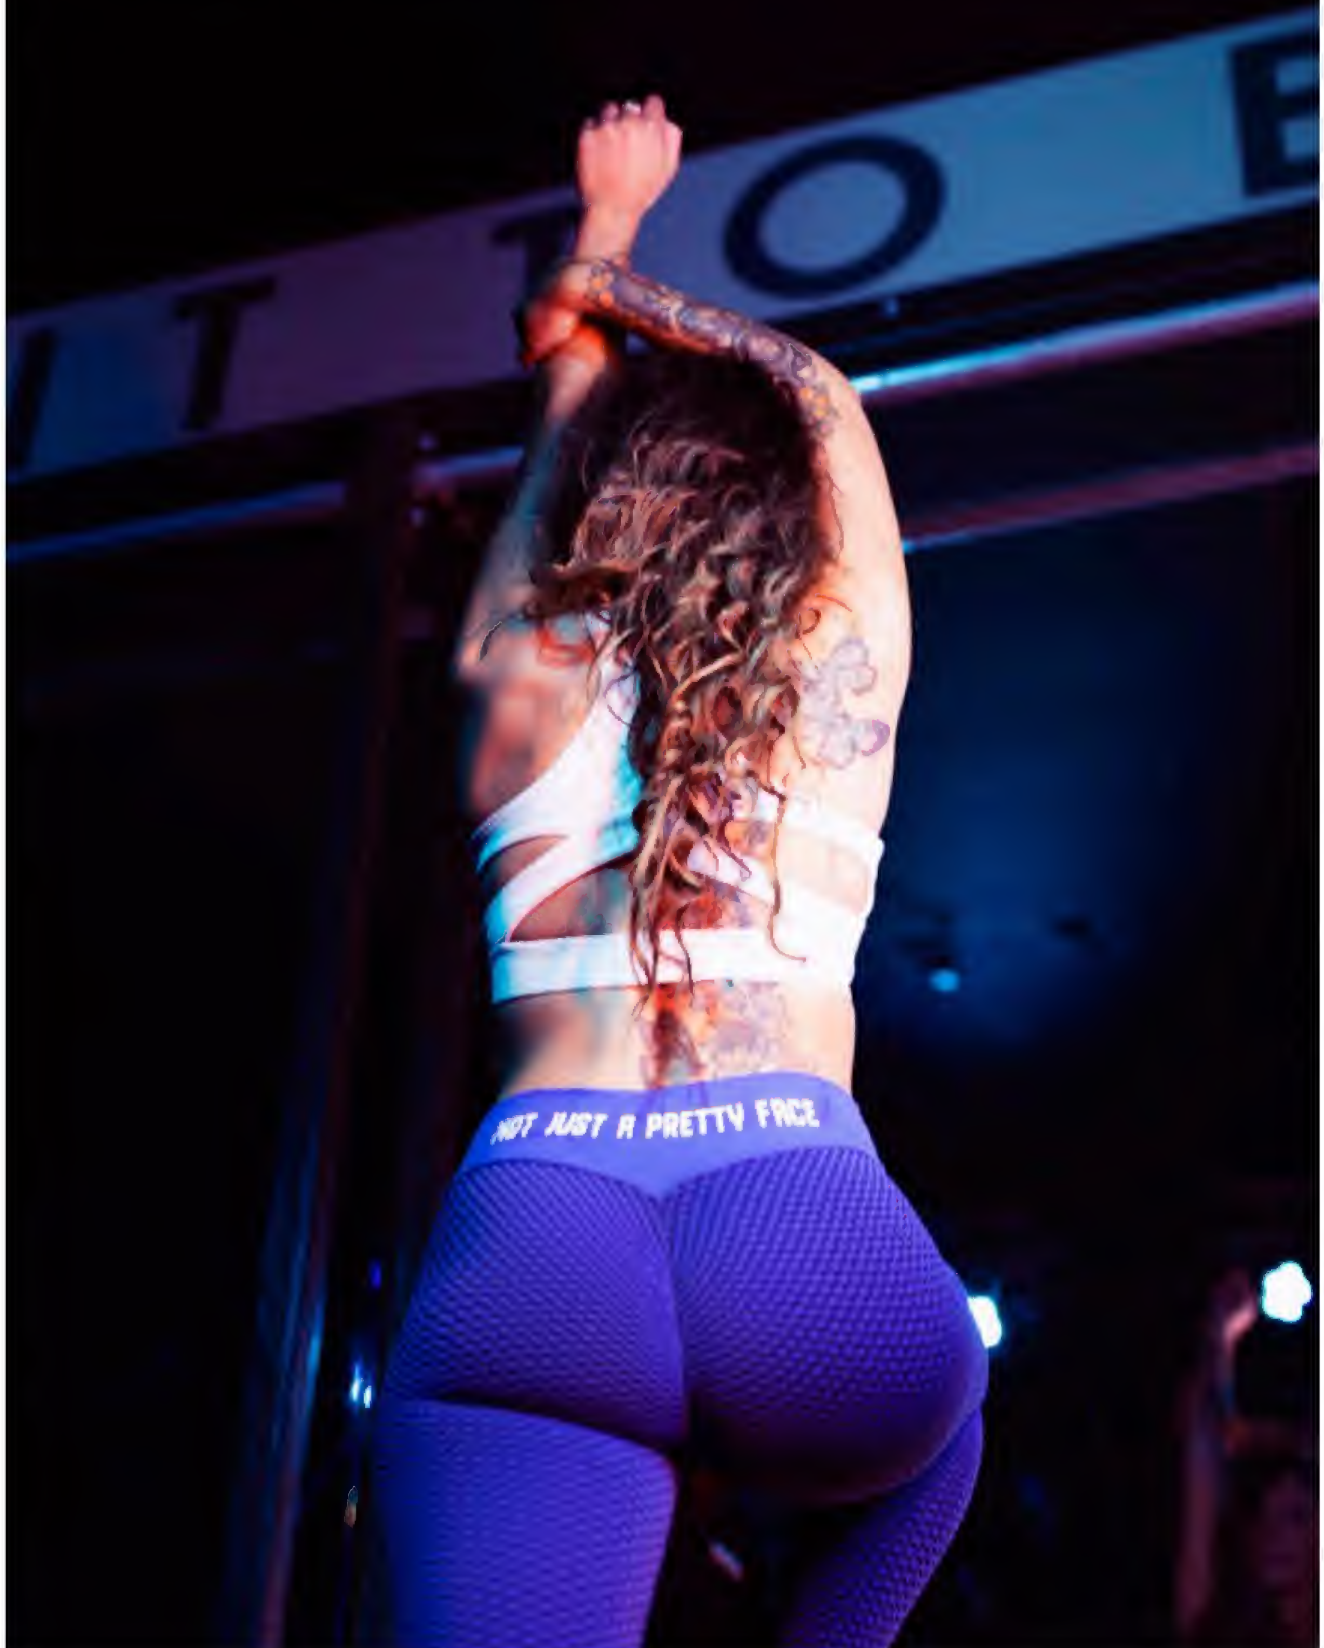

What's the dirtiest meal you want to stuff your face with?
SO MANY!! I love chocolate cake, infact I just love desert in general.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? I LOVE jalapeno margaritas, spicy and salty, also not shy of an Old Fashioned.

Winter is gradually drawing to a close here in the UK. What do you look forward to the most when the cold weather passes? I look forward to sunshine, longer days, camping and my summer vacations.

SPEAKING OF AWESOME WORK, ARE YOU INSPIRED BY ANYONE IN PARTICULAR OUT THERE RIGHT NOW PUTTING CONTENT INTO OUR BRAINS? I AM A HUGE FAN OF CALIFORNIAN MODEL ANA CHERI, SHE IS MY FITNESS/BUSINESS INSPO.

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I love shooting at the beach or in a woodland, anywhere really just out there.

What have you been listening to recently? Two Feet, Fall Out Boy, Sugarcult, Moose Blood.

...watching recently? Black Spot on Netflix, I love anything a bit dark and creepy.

...wearing recently? Always in a flannel and Vans. I work for Not Just A Pretty Face active wear, so I've been wearing that a lot lately too.

A photograph of a person lying on their side on a dark wooden surface. The person has a large, detailed black tattoo on their upper thigh and a smaller one on their lower leg. They are wearing a red, lace-trimmed top. The background is a blurred interior space with light-colored walls and a window. Overlaid on the right side of the image is a large red rectangle containing the text 'NIKITA' and 'CASLIDA' in white, bold, sans-serif capital letters.

NIKITA CASLIDA

Welcome Nikita, always a delight to feature a lady of your wonders. How have you been?

It's a delight to be featured! I've been great! Last year was a bit crazy for me, but I'm loving life right now.

You're a very busy lady, with multiple fingers in multiple pies, so to speak. Do you ever struggle for inspiration going from shoot to shoot?

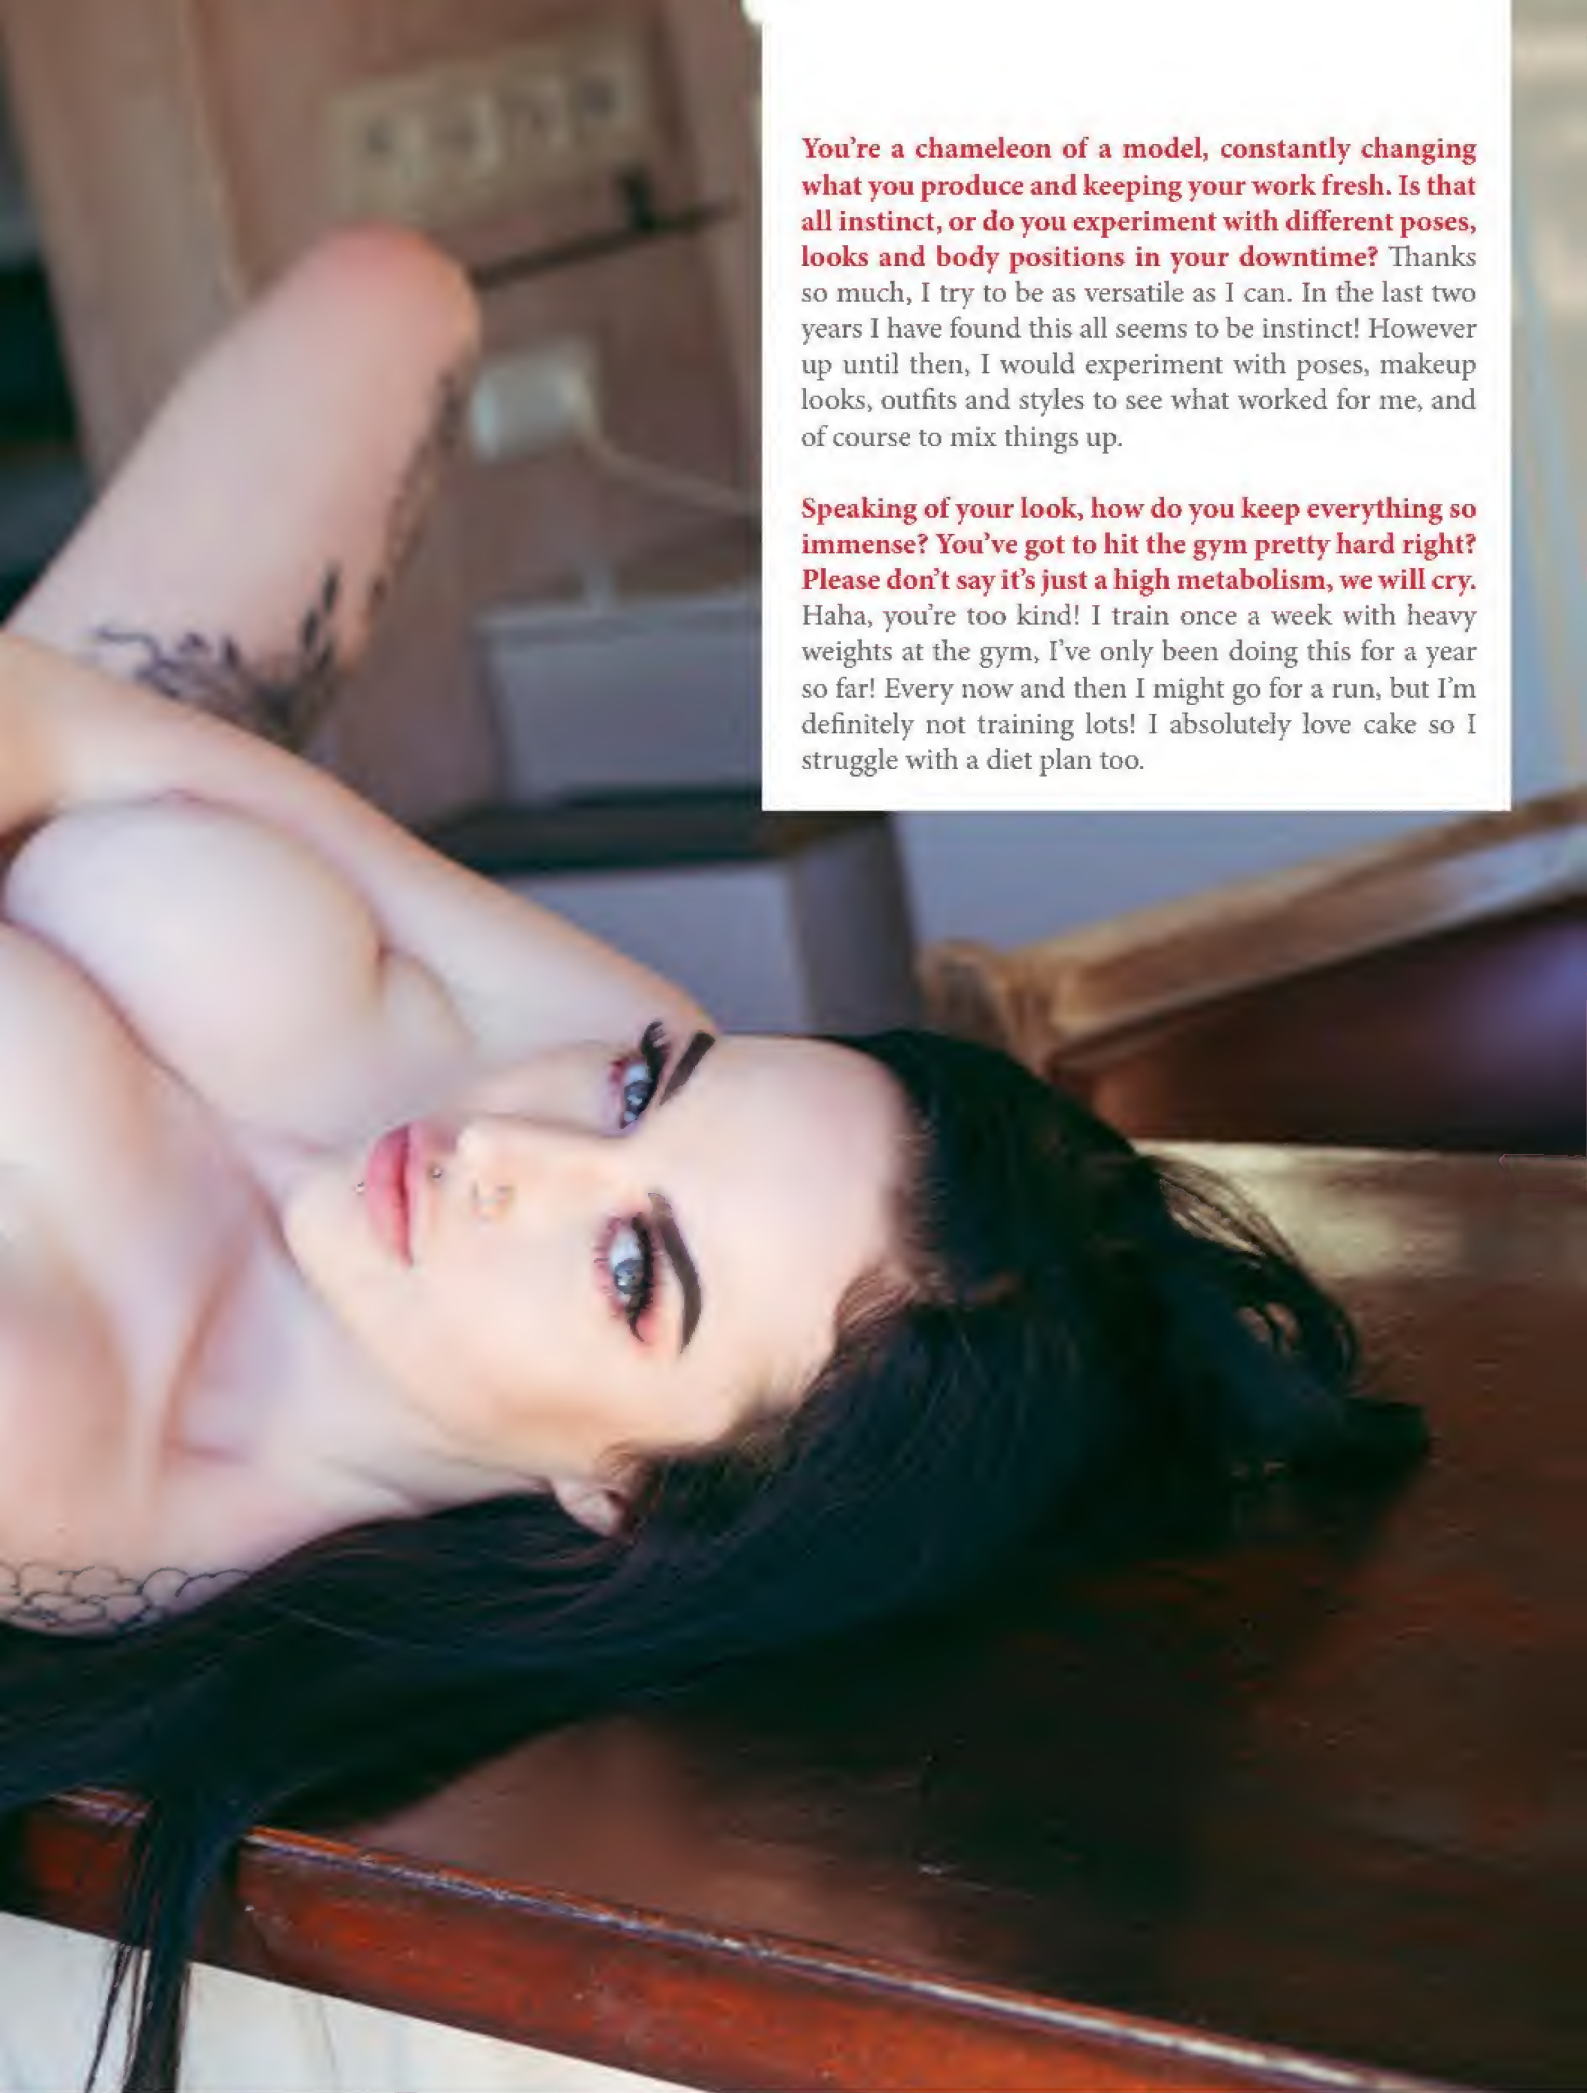

Haha yes busy may as well be my middle name. I'm not going to lie and say it's super easy always coming up with ideas and inspiration, but most of the time it comes naturally to me. I work with people I trust and always enjoy my time shooting which helps keep you motivated!

WHAT TV SHOWS ARE YOU OBSESSED OVER RIGHT NOW? I'VE ALWAYS BEEN A TOTAL GAME OF THRONES SLUT, BUT SADLY IT'S ALL GONE! I DON'T WATCH MUCH TV, BUT UNFORTUNATELY I HAVE BEEN SUCKED INTO LOVE ISLAND LATELY! DON'T JUDGE ME!

You're a chameleon of a model, constantly changing what you produce and keeping your work fresh. Is that all instinct, or do you experiment with different poses, looks and body positions in your downtime? Thanks so much, I try to be as versatile as I can. In the last two years I have found this all seems to be instinct! However up until then, I would experiment with poses, makeup looks, outfits and styles to see what worked for me, and of course to mix things up.

Speaking of your look, how do you keep everything so immense? You've got to hit the gym pretty hard right? Please don't say it's just a high metabolism, we will cry. Haha, you're too kind! I train once a week with heavy weights at the gym, I've only been doing this for a year so far! Every now and then I might go for a run, but I'm definitely not training lots! I absolutely love cake so I struggle with a diet plan too.

Which brings us to your Elite Online awesomeness this month. How was your cover shoot? Amazing as always! I always get such lush shots shooting with the Elite guys, and they're true friends too. I'm so excited to be on the cover!

Tattoos are of course a massive part of your creativity. Do you see your ink as an evolving work in process, or is there a structured plan?

I've always adored tattoos, and originally I wanted to be covered head to toe. However after some time, having a few smaller tattoos I started to love having more clean skin! I've recently just had a huge backpiece done which I love. I have no more plans yet, I like to have a balance of clean skin, and tats.

We're speaking aesthetically of course, and a magnificent part of your aesthetic is a quite fabulous figure. Do you understand people's fascination with that? Ive always struggled with Body dysmorphia disorder, so at the start of my modelling career I thought people were crazy for saying they loved my figure! However I have taught myself, actually I am lucky, I love my body and I love to show off my figure!

Food is obviously very important to you Nikita, what would you say your favourite meal is? Food is the best! I am actually a pretty fussy eater. But my all time favourite meal is of course a banging roast dinner!

You have just been to Spain with us, tell us one of your favourite stories of being there? What an amazing trip as always with Elite, It's hard to pick a favourite story exactly, but I will never forget the sheer laughter we were always having! Multiple times on the trip I was crying tears of laughter. We played a hilarious game called 'Funemployed', which of course in the first round I got the gist of it wrong and made a tit of myself haha.

You're involved in so many elements of the industry, one of my favourites being the Suicide Girls. What does it mean to you being a part of that sisterhood? SuicideGirls was something I dreamt about when I was younger. I knew I had a different style to most girls, and SG was a huge inspiration, so the fact that I am

now part of this sisterhood, is just unreal! What I am the most grateful for is the life long friends I have made from it!

Another industry you are involved in, is the fetish world. Do you have any favourite days as a fetish model? Probably some of the times I've had at work! I'm a dominatrix, so as you can imagine I've seen some crazy things! One of my favourite times was going to Spain for a few days and I just partied loads, while domming!

Your work takes you all over, and to some exotic locales. Where is the best place you've shot? I've shot in some amazing places, but I would have to say L.A is my favourite! It was just unreal. Me and my girls went out there and we danced in Bar Sinister too which was awesome.

Our photographers are pretty big deals; quality personified. How did you get on? They are a dream to work with, some of the nicest guys I know! It's such a privilege to know them and shoot with them.

Set the scene for our readers. We see the sexy results, but what goes on during an Nikita shoot? It's not always sexy! Haha, infact, there is lots of laughter. Usually me doing something really goofy, if there is a group of girls shooting we all go super hyperactive. But we still always smash the shoot and get the results!

We mentioned downtime earlier, what have you been feasting your eyes and ears on recently? If I'm honest, I don't get loads of downtime. But I have started to learn guitar again! I sing, so it would be great if I could get good enough to play and sing!

We're drawing to a close sadly. Before you go, make us all feel like we know you a little more. Whisper a secret about yourself in our ear... I can make most people ejaculate in under 2 minutes, I love swinging and group sex! And I'm absolutely obsessed with Eminem. Ha!

LASTLY NIKITA, HAVE YOU GOT A MESSAGE FOR ALL YOUR, BY NOW DROOLING, ELITE ONLINE FANS? YOUR SUPPORT IS AMAZING, PLEASE CONTINUE TO ALWAYS DROOL OVER ME BECAUSE IT MAKES MY DAY. YOU'RE THE BEST!!

Welcome to Elite Online, how you doin'?
I'm great thank you!
Hope you're good too.

Wonderful to have you featuring, what was it like to shoot with us?
As always: amazing music, lots of laughs, good vibes and the best company!

WHERE ARE YOU FROM?

YOURSELF: I'M FROM
LITHUANIA. I MOVED TO
THE UK IN 2012 TO STUDY
AND NEVER LOOKED
BACK! I'M CURRENTLY
AT UNI GETTING A
BACHELORS DEGREE.

Do you also watch what you eat, or is every day a cheat day? I'd say I have a healthy relationship with food. I watch what I eat and try to eat healthy but I don't obsess over it. I don't deny myself ice cream and pizza on a regular basis haha.

What's the dirtiest meal you regularly stuff your face with? Dirtiest? Interesting question haha! Probably a burrito or a burger.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Oh it tends to vary a lot! At the moment it's probably vodka with lemonade or tonic.

Winter is over here in the UK. What do you look forward to the most when the cold weather passes? Honestly I prefer cold weather to hot weather (I know I'm weird...) so I'm actually kind of sad that winter is over! That being said though I'm looking forward to it getting dark outside much later in the day, and drinking ice coffees.

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? My favourite place to shoot is a unique looking hotel/Airbnb. And good music is an absolute must, it's the best way for me to get into the shoot!

What have you been...

...listening to recently? I re-discovered Red Fang recently. I love that band.

...watching recently? Vikings and Peep Show!

...wearing recently? Lots of cute lingerie, of course, what else? Hehe.

SPEAKING OF AWESOME WORK, ARE YOU INSPIRED BY ANYONE IN PARTICULAR OUT THERE RIGHT NOW PUTTING CONTENT INTO OUR BRAINS? I ABSOLUTELY ADORE GINA HARRISON. SHE'S SO STUNNING AND SO CREATIVE, HER CONTENT IS EVERYTHING!

The pool has a blue and white tiled border, and there are colorful, striped towels or blankets draped over the edge. The water is clear and blue.

Welcome to Elite Online, how you doin'? Thank you! It is currently the middle of the night and I'm finishing up a long day of rehearsals and working on costumes, so I'm exhausted!

Wonderful to have you featuring, what was it like to shoot with Sunnie? Sunshine is just the best! She is my tour manager with Blackheart Burlesque and we have become great friends! She is a boss babe and talented photographer that I am so grateful to work with.

Where are you from? Tell us a little about yourself: I'm from the San Francisco Bay Area, but I have been living in Phoenix, AZ for about 8 years now! So crazy to me because I still consider myself very much a bay area girl and I visit home a lot to see my friends and family, so it will always be home to me. I also absolutely love my life I have built in Arizona with my company *Cleodora Productions*, my fur babies, and my fiancé!

Winter is finally over here in the UK. What do you look forward to the most when the cold weather passes? I looove being at the ocean and in the water! Growing up in the San Francisco area I was always at the beach and always in the water even when it was freezing! Now when I'm in Arizona I stay in the pool all the time!

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? Definitely outdoor shoots in nature are the most beautiful to me. On set I always need some good moody music to set the vibe!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I'm trying to really focus inward to be my best own inspiration right now to create original costumes, concepts, and choreography as I pour everything into growing my burlesque circus shows for *Cleodora Productions*!

Do you also watch what you eat, or is every day a cheat day? It's a bit of a mix to be honest! I like to look after my body by feeding it healthy food. I also believe that if sometimes my body is asking for pizza, she deserves it.

What's the dirtiest meal you regularly stuff your face with? Oh I LOVE pasta.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Wine, rum or gin at the minute.

Winter has finally come to an end here in the UK. What do you look forward to the most when the cold weather passes? Bikinis, wanting to go outdoors again, festivals!

Welcome to Elite Online, how you doin'? I'm doin' pretty great, thank you!

Wonderful to have you featuring, what was it like to shoot with us? It was so much fun! So great to meet you and all the girls, I can't wait to shoot again.

Where are you from? Tell us a little about yourself:

I'm originally from Essex, unfortunately... but now I live in Alicante. I'm a full time model, I also DJ and travel as much as I can and vlog as I go for my YouTube channel. In my spare time though I'm usually just playing Minecraft haha.

SPEAKING OF AWESOME WORK, ARE YOU INSPIRED BY ANYONE IN PARTICULAR OUT THERE RIGHT NOW PUTTING CONTENT INTO OUR BRAINS? I'M HUGELY INSPIRED BY REBECCA CROW AND THE FIGHT SHE IS MAKING FOR FAIR TREATMENT ON INSTAGRAM. SHE SOMEHOW MANAGES TO HELP OTHERS ONLINE WHILE STILL MAKING INCREDIBLE CONTENT FOR HER FANS.

Do you also watch what you eat, or is every day a cheat day? I try and eat more healthy foods as much as possible, but I definitely don't limit myself at all with cheats.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? I honestly don't like the taste of much alcohol so I'll usually just go for a berry cider!

You were involved in our Spain shootfest this January. What are your best memories from the trip? Shooting a fun multi with Laika, and just getting to know everyone, hearing all their hilarious shoot stories.

If you could choose your fave boobs, bum, face and personality from the trip, who would you choose? This is impossible to choose, all the girls were amazing and made me feel like a potato!

Winter is finally over here in the UK. What do you look forward to the most when the cold weather passes? Being able to wear more outfits, I feel like some girls can pull off the cute winter coat look, I'm just not one of them.

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? As much as I enjoy outdoor shoots, I prefer a nice hotel/AirBnb setting where it's a bit more relaxed. Must on set for me is definitely some of my favourite music!

WHAT'S THE DIRTIEST MEAL YOU REGULARLY STUFF YOUR FACE WITH? PROBABLY GIANT BURRITOS OR VEGAN BURGERS.

What have you been...

...listening to recently? I love all EDM but recently some artists I've really been loving are Eliminate, ATLiens and Kaivon.

...watching recently? Mainly king Pewdiepie on YouTube, but 'I'm a killer' on Netflix has got me hooked

...wearing recently? It's either an XXL hoodie or a cute pleated skirt, there's no in-between

IT'S BEEN A BLAST, THANKS FOR TAKING THE TIME TO SPEAK WITH US. HAVE YOU GOT A MESSAGE FOR EVERYONE SEEING THIS? THANKS FOR HAVING ME! AS CLICHE AS IT IS, THANK YOU TO EVERYONE THAT SUPPORTS ME, IT MEANS THE WORLD.

A close-up photograph of a woman with dark hair and red eye makeup. She is holding a thick black rope with her right hand, which has red nail polish and a small tattoo on the ring finger. A large black tattoo of a bird is visible on her left arm. The word "CHIYO" is written in white on a red rectangular background in the upper right corner.

CHIYO

Welcome to Elite Online,
how you doin'? Hey
everyone, I'm Chiyo! *pulls
cute face* Thank you so
much, It's an honour to be
back. I missed you!

Wonderful to have you
featuring, what was it like
to shoot with us? I love it so
much. ATOM is an absolute
dream and I adore his singing.
You can't beat a night of
Backstreet Boys... eat your
heart out!

DO YOU ALSO WATCH WHAT YOU EAT, OR IS EVERY DAY A CHEAT DAY? THERE'S A LORDI SONG THAT CONTROLS MY NUTRITION...
"BABIES FOR BREAKFAST, BITCHES FOR LUNCH!"

What's the dirtiest meal you regularly stuff your face with? Oh hoooooney, I have a massive sweet tooth for birthday cake.. each day has to be someone's birthday. I'll just help you celebrate it! Yum Yum!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Liquor may not solve all your problems, but it's definitely worth a shot!

Winter has come to end here in the UK. What do you look forward to the most when the holiday season arrives? If you know me personally, you will know that I will whimper at least once a day that I am cold, regardless of the temperature. But I do look forward to seeing the sun burst through the trees, warm walks in the park and road trips! I'm heading to Italy soon as well, it's more like traveling season for me. I love it.

Unfortunately winter also means less outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? Recently I shot in Arta located in Glasgow with Killstar and Debbie (Emerald Photography) and it was the most magical building interior I have ever seen. I felt like I had just stepped into an Assassins Creed game. I didn't want to leave. Overall, I am pretty content with a few Haribo treats in between sets... sugar keeps me sweet!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? Most of my inspiration derives from illustrations. I am obsessed with an artist on Instagram right now, @Madame_dabi. Her work is precious and extremely inspirational!

Where are you from? Tell us a little about yourself:

This is always the most difficult question. So basically I am from Scotland, in the crazy city of Glasgow. When I'm not pretending to be seductive in front of the camera, I am working my butt off as a resident artist at Rock'n'Roll Tattoo Studio. It's like a Home from Home and I wouldn't change it for the world.

**WHAT HAVE YOU BEEN...
...LISTENING TO RECENTLY?**

LATELY I HAVE CREATED A PLAYLIST ON SPOTIFY TO KEEP ME MOTIVATED, AND IT CONSISTS MAINLY OF 90S GRUNGE BANDS LIKE GARBAGE AND LETTERS TO CLEO. IDEALLY I JUST WANT TO PRETEND I'M LIVING IN THE BRONZE NIGHTCLUB, IN THE BUFFY UNIVERSE.

...WATCHING RECENTLY?
I JUST FINISHED WATCHING THE LATEST SABRINA SEASON. *WIPES AWAY THE DROOL*

...WEARING RECENTLY?
AS WE ALL KNOW, I HAVE AN ADDICTION TO LINGERIE. MY NEWEST ADDITIONS TO MY COLLECTION ARE FROM HONEY BIRDETTE.

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Thank you so much for having me again, it's been my pleasure. Would I be Chiyo if I didn't end with a dad joke? Can you give someone a skin graft from your butt?...Ass skin for a friends!
